

EVENT

STAR TREK

TO BOLDLY GO

Exploration of the stars, encounters with different cultures, and the potential for knowledge and advancements were driving forces for expansion in the 23rd century.

Seeds or plays on table if you seeded 2 or more missions with "23rd century" in lore. Your ships are RANGE and SHIELDS +2 and your facilities gain . (*Captain's Order.*)

ERRATA

INTERRUPT

STAR TREK
DEEP SPACE NINE

SMOKE BOMB

Small, hand-held device used to create a diversion. DS9 personnel employed this to evade occupying Circle forces.

Plays at start of personnel battle. You may exclude any or all of your non- personnel from that battle. **OR** Once every turn, plays to stop a crew or Away Team where you have personnel present (limit once per game per location).

ERRATA

4

Seeds in any quadrant. You must play Scan to initiate battle here. When opponent scores points, your ship here encounters next seed card.
